## SECTIONAL AND DISTRICT TOURNAMENT FINANCIAL PROCEDURES

Updated September, 2017

**This document is provided to have consistency in the way financial procedures are applied for all Central District tournaments.**

Sectional –HOME SITES – Sectional level tournaments in the sports of Baseball, Basketball, Soccer, Softball, and Volleyball are hosted by the “better seeded” team. In soccer, the District Semi-Finals are also hosted by the better seeded team; sectional procedures apply for those contests.

Sectional - NEUTRAL SITE – Sectional level contests in Bowling, Golf, Swimming, Tennis and Wrestling are held at neutral sites.

Cross Country and Gymnastics compete at the District level only.

Financial forms referenced in this document can be found on the [cdab.org](http://cdab.org) website. Click on the tournament forms options in the left margin.

1. **SECTIONAL Site Agreement – Host Site: (better seeded team)**
  - a. Prior to fall tournaments starting, school s will submit a Site Availability Agreement identifying sports in which they are willing to serve as a host school when their team is the higher/better seeded team. This agreement must be submitted to the CDAB Secretary or Treasurer before the school can receive their administrative tournament passes.
  - b. Host schools will sign the approved OHSAA site agreement and are to provide a facility at no cost to the Central District Athletic Board. (No rental, set up, light or custodial fees.)
  - c. If the better seeded team’s facilities do not meet minimum NFHS standards, the better seeded team may choose to find another facility, at their cost, at which they will host or they may choose to waive their right to host. If the better seeded team chooses to waive their right to host, their opponent will have the right to host the event under the same conditions.
  - d. If neither school is willing to host the sectional level contest, the school that is scheduled to host will be responsible for securing a facility at their cost. If the reason for not hosting is because neither school’s facilities meet minimum NFHS standards, the CDAB will assist in facility use fees for a neutral site.
  - e. If the better seeded team’s facilities are unavailable because of another scheduled school event, the CDAB may be willing to change the date of the contest by one day to

- accommodate the conflict. Host school must contact the appropriate CDAB tournament manager/sport liaison to discuss the conflict.
- f. A flat fee will be paid to the host school by the CDAB to staff the event and cover the additional treasurer's office expenses of payroll, pension, and postage to return unsold tickets.
  - g. **Neutral Site SECTIONAL/DISTRICT Site Agreement** - The CDAB will select schools/venues to host and those schools/venues will sign the approved OHSAA site agreement. Facility use costs will be defined in the agreement and will include items such as: rental fee, set up/tear down fees, incidentals and custodial fees. These items will be included in one lump sum to be paid to the host school. A flat fee will be paid to the host school by the CDAB to staff the event and cover the additional treasurer's office expenses of payroll, pension, and postage to return unsold tickets.
2. **Site Confirmation Agreement** – If a school is hosting an event as the higher/better seeded team, once a date has been established on which the school will host a tournament contest, the school must complete and return a signed Confirmation Agreement.
  3. **Tournament funds** – Host schools are to run all tournament funds through their school treasurer through the use of Agency accounts or a school approved (issued by and audited by the school treasurer) tournament checking . If neither form of accounting can be established, the school will not host the event. If the venue is not a local school district, the venue is required to run all funds through CDAB/OHSAA approved procedures and accounts.
  4. **Ticket procedures:** (if tickets are sold for the event)
    - a. Sites are **required** to use tickets issued by the Central District Athletic Board. Ticket accountability forms will be completed by each site manager. The accountability form and unused tickets must be returned to the CDAB.
    - b. Sites are expected to have a “**NO Re-Entry Policy**”, meaning if a spectator chooses to leave, they must pay to re-enter. NOTE: **Ticket stubs are not valid for admission or re-admission.** You may have a local policy to permit spectators to step outside to smoke. Please create a special pass for them or stamp their hand.
    - c. At the District Finals level, pre-sale tickets are available in Boys and Girls Basketball . Have ticket sellers check tickets to ensure they are CDAB issued.
    - d. **Ticket prices:** per session
      - i. **Sectional –HOME site:** Adults (including Senior Citizens), \$6.00, Students (K-12) \$5.00
      - ii. **Sectional – NEUTRAL SITE:** – All tickets \$6.00
      - iii. **District** - All tickets \$7.00
      - iv. **District Bowling (if boys and girls are played at the same time at the same venue)** – ALL DAY rates only – All tickets \$9.00
    - e. Tickets should be sold from, at most, 1 hour before the event start time. Sales should continue until approximately 75% of the event is completed. For example:
      - i. Basketball – midway into the 3<sup>rd</sup> quarter of the last game of the session.
      - ii. Soccer – midway into the 2<sup>nd</sup> half of the last game of the session
      - iii. Volleyball - the start of the third game of the match of the last match the session.
    - f. Ticket Sales procedure – you are to use a minimum of two people: one to sell the ticket and one to take the ticket for each admission gate you are using.
    - g. Ticket audit procedures for the financial report:
      - i. You are to save and turn in with your report **two tickets or two stubs**. You may turn in the actual tickets/stubs or email copies of them. **Your report is not complete without these tickets/stubs.** These will be used in the audit process to verify the start and end ticket numbers.

1. If saving tickets: the first ticket on the roll before you start selling tickets and the next ticket available to be sold after you have finished selling tickets.
    2. If saving stubs – the stubs off the first and last tickets actually sold.
  - ii. **The ticket numbers recorded on the financial report are the numbers on the first and last tickets actually sold.**
  - iii. The site will be held accountable for all tickets actually sold. The host site is responsible for any gate receipt shortage.
5. **District Final Pre-Sale Tickets for Basketball** – Each school participating in the District tournament has an opportunity to sell pre-sale tickets to Final games. (CDAB policy 4001.1)
- a. Tickets may be obtained from the District Semi-Final site manager or CDAB treasurer.
  - b. Schools that choose to pre-sale tickets must account for tickets sold the same as if they are hosting a game. (See above guidelines)
  - c. Schools must return all unsold pre-sale tickets to the site manager of the district finals. Include a copy of the ticket audit report.
  - d. Schools are entitled to a commission of \$1.50 per ticket sold.
  - e. Payment for the pre-sale tickets should be sent directly to the CDAB treasurer. Schools should deduct any commission they may be entitled to. Include a copy of the ticket audit report with the payment. Payment should be received within 30 days of the date of the contest.
  - f. District site managers will include the pre-sale ticket finances on the District Financial report.
6. **Passes – the following are the only passes honored for Central District Tournament contests**
- a. Coaches and team personnel will use the designated pass gate form
  - b. Passes issued by the Central District Athletic Board/OHSAA
  - c. Media credentials may be honored
  - d. Scout passes IF approved by the site manager or CDAB representative PRIOR to the event.
  - e. Officials – Tournament qualified officials must show OHSAA official’s license and picture ID.
7. **Payment of Expenses:** The Site Manager/School treasurer will be responsible for paying the following expenses: facility use fee as listed on the District Site Agreement (Zero payment at sites when the better seeded team is hosting), sworn security officers (if needed, use your judgment), and tournament staffing. Tournament staffing payments are not to exceed the limits established by the CDAB. Payment of these individuals will be made by check in the manner approved by the host school’s treasurer.
8. **Tournament staffing fees-** these include fees paid to the site manager, athletic trainer, ticket seller, ticket taker, score table personnel, etc. Included in the fee amount are funds to pay any administrative payroll expenses the host district might include (Approx. 20%). The number of staff needed to operate one sectional/district tournament game should be the same as needed to operate a regular season home game. Postage to return unsold tickets is factored into the fee.
9. **Sectional/District contests – Staffing fees are not to exceed the following amounts. Overages are the responsibility of the host school. Listed amounts include approximately 20% For Payroll/administrative expenses that may be charged by the local treasurer and postage to return unsold tickets. The site manager needs to deduct these fees to determine the amount actually available for staffing. The fee listed is per game unless noted otherwise. (Staff + admin)**  
***See the addendum for guidance and suggestions in setting worker fees.***
