## Championship Information

### Meet Procedures

All meet information will be posted on the [www.ohsaa.org](http://www.ohsaa.org) and [www.cdab.org](http://www.cdab.org) websites.

**All coaches are responsible for reading and understanding tournament information as presented on the web sites and as discussed at the mandatory rules interpretation meetings.**

All swimming competition shall follow the 2018-2019 National Federation Swimming and Diving Rule Book. Read and understand the rules for competition.

**Coaches should make sure that all swimmers and divers are aware of the meet procedures.**

1. There will NOT be a "bullpen". It is each swimmer's responsibility to be on the block for his/her event when the event is ready to go.
2. **IF A SWIMMER MISSES AN EVENT, THE SWIMMER IS AUTOMATICALLY DISQUALIFIES FROM THAT EVENT AND ALSO FROM FURTHER COMPETITION. HE/SHE WILL NOT BE PLACED IN ANOTHER HEAT.**
3. No team or individual will be allowed to warm-up or compete in the boys' or girls' swimming or diving competition unless the coach or representative authorized by the team's Board of Education is always present during the meet. Teams or individuals unaccompanied by such representatives will be disqualified from all competition.
4. Starting blocks are equipped with kickplates and backstroke ledges. Kick plate use is permitted; however, backstroke ledges are NOT permitted to be used during high school competition.
5. All swimmers, including members of relay teams, must stay behind the timers before and after they swim.
6. The finish of each heat will be recorded electronically if the swimmer hits the touch pad as hard as possible. The backup system will be two semi-automatic push buttons and two manual stopwatches. NOTE: The electronic times that are displayed on the scoreboard are NOT official times.
7. Scoring will be as follows:  
Relays        40, 34, 32, 30, 28, 26, 24, 22, 18, 14, 12, 10, 8, 6, 4, 2  
Individuals 20, 17, 16, 15, 14, 13, 12, 11, 9, 7, 6, 5, 4, 3, 2, 1
8. Continuous swimming warm-up/cool-down space will be available in the north half of the Competition Pool (side nearest the scoreboard). Swimming equipment is not permitted in the south end of the pool (nearest the Diving Well). Equipment may be used in the north end of the Competition Pool only. Assigned sprint lanes will be posted.
9. BULKHEAD SAFETY: Swimming under the bulkhead and pushing up from the bottom of the pool near the bulkhead is NOT PERMITTED. Walking across the bulkhead is only permitted during events in which lap counters are used and as necessary by Event Management Personnel.

<p><b>Deck Access</b></p>	<p>Coaches and competing swimmers will be permitted into the competition area with a participant pass.</p> <p>Passes for coaches/swimmers may be picked up by the head coach in the main lobby of the aquatic pavilion.</p> <p>Please instruct all team members that they will not be permitted into the competition area until a designated coach distributes the contestant passes.</p> <p>Each day is defined as a separate session and the admission fee will be charged to all individuals that wish to enter the facility that are not competing in that specific swimming session.</p> <p>Each team will receive passes from the coach for those team members <b>actually competing in the meet</b>. Relay only swimmers will be counted in each team's swimmer count only if they are listed as a swimmer or alternate on the relay entry from the sectional meet. Sectional meet hosts should ensure that all athletes listed on a relay card are entered into the relay in Meet Manager software.</p> <p>Team members that are not competing (alternates), stats, cheerleaders, bus drivers, etc. must pay the spectator fee of \$7.00 per session. Of these, only alternate athletes who are expected to compete in the session will be permitted access to the deck. Deck access will be tightly controlled, and alternate swimmer deck access is subject to the approval of the meet director.</p>
<p><b>Spectator Seating Access</b></p>	<p><u>Only paid ticket holders are permitted in the spectator area.</u></p> <p>No competing swimmers, divers or coaches will be permitted in the spectator area during warm-ups or competition.</p>
<p><b>Team Seating &amp; Bleacher Reservations</b></p>	<p>Teams will be seated on both sides of the pool deck. Up to sixteen (16) sets of bleachers will be reserved for teams that pay a \$200 reservation fee. Teams will be asked to estimate the number of swimmers who will attend the meet and list any team(s) with whom they wish to share their bleacher. Small teams will not be permitted to rent an entire bleacher if they do not identify other teams with whom they have arranged to share. An email detailing the bleacher reservation process will be sent to teams through the sectional meet managers in early January.</p> <p>Each bleacher can accommodate 30 or more people. It is important that teams share bleacher space and consolidate their belongings behind or under their bleacher immediately upon arrival so that all teams have a place to serve as their home base during competition. <b>Items may not be stored on top of bleachers – bleachers are for people, not for belongings.</b></p> <p><u>Coaches should encourage swimmers to only bring needed items to the meet.</u>  <b>NOTE: Pillows, blankets, sleeping bags, coolers, noisemakers, shakers, helium balloons, camping chairs are NOT permitted in the aquatic pavilion. Leave all such items in the bus or in the car.</b></p> <p>Coaches that do not have a reserved bleacher and are concerned about their team's seating should plan to arrive early. The deck opens at 11:30 a.m.</p>

<p><b>Locker Rooms &amp; Deck Cleanliness</b></p>	<p>Changing rooms, showers and restrooms are available for all contestants in the aquatic pavilion.</p> <p>Lockers belong to paid Ohio State Recreational Sports members – event participants are NOT permitted to use lockers.</p> <p>Swimmers and divers are required to take all their belongings to the pool deck. Neither Ohio State, nor meet administration, will be responsible for personal valuables. Only bring necessary items.</p> <p>Event participants are asked to be respectful of Ohio State Recreational Sports facilities and members and exhibit good behavior and keep their volume level low in member areas (specifically the locker rooms).</p> <p>Each school is asked to handle its own discipline and litter problems. Keep areas clean.</p> <p>Any contestant or team found guilty of vandalism, theft, or conduct unbecoming to an athlete will be barred from further competition.</p>
<p><b>Facility Access</b></p>	<p>No swimmer, diver or school swimming or diving team shall utilize Ohio State aquatic facilities 30 days prior to the Boys and Girls District sponsored Swimming &amp; Diving Tournaments, except at the discretion of The Ohio State University aquatic pavilion management and the appointed hours announced by the District Tournament manager specifically for swimming practice.</p>
